Reasons for Information: CURE has been charged with the responsibility of ensuring that all companies in Bermuda comply with the Law with regard to equal opportunity in the workplace, regardless of race. The collection of information on the racial background of employees and job applicants is the means of establishing the racial composition of the workforce.

Why Race?: Race is an internationally recognized key item in the demographic make-up of society, which allows for informed decisions to be made regarding equal opportunity in the workplace.

Race is your business: Exactly! We wish to protect the rights of all employees and job applicants by ensuring that equal opportunity is afforded to all persons, regardless of race or colour.
